

Occupational Health & Safety Committee Policy

Horwood's Home & Support Services Inc. has a growing OH&S Committee.

The committee meets once every three months to discuss any issues with the company, any health and/or safety concerns, feedback from employees and any issues that need to be evaluated, controlled, modified or certain training needs to be implemented.

Minutes and documentation must be recorded for all meetings and should be posted in the offices in Grand Falls-Windsor, Springdale and Badgers Quay.
